Discussing the Nature of Counseling	46
Description of Roles	47
Transition to the Client's Story	47
Attending Skills	47
The Three V's + B: Visuals, Vocals, Verbals, and Body Language	47
Nonverbal Communication	52
Summary	55

Chapter 4

Observational and Responding Skills

57

Observational Skills	57
Nonverbal Messages	57
Client Orientation	61
Responding Skills	62
Minimal Encouragers	62
Questioning	64
Paraphrasing	70
Reflection of Feelings	70
Summarizing	70
Summary	72

Introduction	74
Confrontation	76
Feedback and Self-disclosure	80
Feedback	80
Self-disclosure	80
Focusing the Narrative	81
Problem and Individual Focus	82
Family Focus	82
Other Individual Focus	82
Mutuality Focus	84
Helper Focus	84
Cultural/Environmental Context Focus	85
Eliciting and Reflecting Meaning	87
Interpretation and Reframing	87
Interpretation of Meaning	88
Reframing	88
Information, Directives, and Instructions	89
Information	89
Directives	90
Instructions	91
Logical Consequences	94
Summary	95

Health Counseling for Primary Prevention	97
What Is Stress?	98
Personality and Stress	101
Psychosomatic Disease and Stress	102
Everly and Benson's Disorders of Arousal	102
The Effects of Stress on Disease	103
The Goals of Stress Management Counseling	104
Counseling Someone with Stress Using Microskills	106
Introductory Skills	107
Attending Skills	108
Responding Skills	110
Influencing Skills	113
Summary	128

Introduction	130
Effectiveness: Theoretical and Actual Use	131
Theoretical Effectiveness	131
Actual Use Effectiveness	131
Pregnancy Risk	132
Mechanisms of Action	134
Methods Associated with Each Mechanism of Action	135
Nonpenetrative Behaviors	135
Methods That Prevent Sperm from Reaching Eggs	136
Methods That Provide Barriers Between Sperm and Egg	136
Methods That Prevent Implantation of a Fertilized Egg	141
Methods That Prevent the Release of Ova	141
Methods That Prevent Sperm from Reaching Egg (Surgical)	142
Methods That Terminate an Established Pregnancy	143
Communicating About Sexuality and Birth Control	145
Sexual Vocabulary	145
Counseling Clients About Birth Control Using Microskills	146
Introductory Skills	146
Attending Skills	149
Responding Skills	150
Influencing Skills	153
Summary	161

Health Counseling for Secondary Prevention	163
Overview of Asthma	164
Epidemiology	164
Diagnosis	164
Treatment	166
Control and Prevention	167
Goals of Asthma Counseling	171
Counseling Clients with Asthma Using Microskills	171
Introductory Skills	172
Attending Skills	173
Responding Skills	176
Influencing Skills	178
Summary	191

Overview of Blood Pressure and Hypertension	193
Diagnosis	194
Epidemiology	196
Uncontrollable Hypertension Risk Factors	196
Controllable Hypertension Risk Factors	198
Hypertension as a Risk Factor	199
Prevention and Control	200
Goals of Hypertension Counseling	202
Counseling Clients with Hypertension Using Microskills	203
Introductory Skills	204
Attending Skills	205
Responding Skills	206
Influencing Skills	209
Summary	224

Introduction	226
Overall Goals of STD Counseling	227
Overview of <i>Chlamydia trachomatis</i>	228
Epidemiology	228
Diagnosis	229
Treatment	230
Prevention: A Pyramid of Risk for STDs	230
Counseling Clients with Chlamydia Using Microskills	234
Introductory Skills	235
Attending Skills	237
Responding Skills	241
Influencing Skills	244
Summary	252

Health Counseling for Tertiary Prevention	254
Overview and Epidemiology of ACL Injuries	255
Diagnosis	257
Treatment and Management	258

Serious and Career-Ending Injuries	259
Applying Kübler-Ross's Model to Career-Ending Injuries	261
Goals for Counseling Someone with a Torn ACL	261
Counseling Clients with ACL Injuries Using Microskills	261
Introductory Skills	262
Attending Skills	263
Responding Skills	265
Influencing Skills	267
Summary	277

Chapter 12

Sexuality Counseling

279

Introduction	280
Overview of Sexual Concerns	280
Sexual Disorders	280
Sexual Problems	282
Sexual Worries	282
Obstacles to Discussing Sexual Concerns	282
Helping Clients Manage Sexual Concerns	283
The Medicalization of Sexuality Counseling	284
Counseling Clients with Sexual Concerns	285
The PLISSIT Model	286
Sexuality Counseling Using Microskills	287
Overall Goals of Sexuality Counseling	287
Introductory Skills	288
Attending Skills	291
Responding Skills	292
Influencing Skills	294
Summary	298
