

Online Renewal via Web OPAC

Library members can renew borrowing materials by themselves after one day passed via WEB OPAC on any computer connected to the internet. The renewal process can be done only one time within the due date. Please follow these steps.

How to renew via Web OPAC

1

1. Go to the library's website at "www.lib.buu.ac.th"

2

2. Click "Web OPAC"

3

3. Click "LOGIN"

4

4. Type your ID number into Username and Password.

5

5. Click "Login"

6

6. Your login name will be appeared at the top right corner of the page, then click your login name.

7

7. Click "check out and due date" at the Library Services.

8

8. You will see the details of the item you borrow, including number, barcode, title, check-out date, due date, and renewal.

9

9. Check the box and click "Renew" to renew the item. Make sure the item has been renewed by noticing at the due date change.

4. Type your ID number into Username and Password.

BUU student: ID number is student ID

Other members: ID number is the library member ID

5. Click "Login"

9. Check the box and click "Renew" to renew the item.

Make sure the item has been renewed by noticing at the due date change.
